Approved: June 14, 2019

Purpose: To provide the Workforce Innovation and Opportunity Act (WIOA) requirements for Nevadaworks Service Providers that receive program funds in establishing and maintaining Grievance/Complaint and Hearing/Appeal procedures for use with program related complaints.

Policy: A grievance or complaint is any written and signed communication by an interested party, comprising of the complaint date, full name, telephone number, mailing address and email address (if available). For the purposes of this policy, the individual/entity filing the grievance or complaint will be referred to as Complainant. The grievance or complaint shall include the basis upon which the review is sought as it relates to services, working conditions, wages, or work assignments and include the desired resolution. For the purposes of this policy, grievances or complaints shall originate in connection with WIOA programs operated by WIOA recipients, to include the following entities which will be referred to as the Complainee: Sub-Recipients, Eligible Training Providers, and other Contractors for Nevadaworks Service Providers. The written request should include account(s) of the allegation(s) with clear and concise statement(s) of fact, dates and supporting documentation as appropriate.

An appeal is any written, dated and signed communication by an interested party expressing their intent to appeal any action or inaction with respect to a grievance or complaint at a higher level. All parties will make reasonable efforts to assure that the grievance allegation(s) and resolution process will be understood by affected participants and other individuals, including Youth and those who are limited-English speaking individuals. Such efforts will comply with the language requirements specified in 29 CFR §38 regarding provisions of services and information in languages other than English.

The requirements prescribed herein are applicable to all Sub-Recipients, Eligible Training Providers, and other Contractors for Nevadaworks Service Providers who receive WIOA funds from Nevadaworks and hereafter shall be referred to as the Complainee.

NOTE: The provisions of this policy do not apply to Criminal/Incident Reporting, Equal Opportunity Provisions, Employment, Accessibility or Discrimination provisions for individuals with disabilities brought under WIOA Sec. 188 or 29 CFR §38. Please refer to Nevada State Compliance Policy Section 4: Equal Opportunity/Grievance for specific policies.

- I. **Grievance Policy Requirements:** The following are policy guidelines that must be adhered to:
 - A. Nevadaworks Service Providers may operate their own Nevadaworks approved grievance system or may utilize the Nevadaworks grievance system. A Service Provider's grievance system shall provide for, upon request by the Complainant, Nevadaworks review and decision.
 - B. At the time of registration, all registered participants in a WIOA program shall be provided an Applicants' Rights, Certification and Release of Information form (NW-35). The applicant must sign to certify:
 - I. They understand their rights under federal law and acknowledge their right to file a complaint.

2. They have received and understand the Grievance Policy provided by the Service Provider program staff.
- C. Service Providers are required to provide a signed copy of the (NW-35) form to the participant and maintain this documentation in the participants' files.
- D. Grievances may be brought by any individual or organization including but not limited to program participants, Service Providers, staff of Service Providers, One-Stop-Partners, applicants for Nevadaworks sponsored training and services, labor unions and community-based organizations, or any other interested person(s).
- E. All persons filing a grievance shall be free from restraint, coercion, reprisal, or discrimination. When grievances arise, they shall be considered an individual's right to express himself/herself. Good faith effort shall be made to reach a mutually satisfactory resolution for parties as promptly as feasible.

II. Provisions for Processing a Grievance: The following are actions required by Service Providers utilizing the Nevadaworks grievance procedures, or by staff of Service Providers of Nevadaworks:
